

CLASSDOJO

Take-Home

Tracker

Ideas for implementation:

**This packet corresponds with my ClassDojo Belt Advancement Cards*

Directions:

- At the end of each day, each student will color in the number of dojo points earned.
- The take-home tracker is designed to keep parents engaged and students aware of their advancement progress.
- I will print these pages as a packet at the beginning of the year and hole punch them into their MONSTER homework binder. (You can substitute the binder with a folder, notebook, agenda, folder made from laminated construction paper, etc...)
- I am going to ask my parents to initial the box of the points their child earned each day. (See below for an example.)
-This is an easy way to confirm my parents are checking the tracker each night. Please, do not feel obligated to require the same thing.

| | | | | | | | | | |
|---|----|----|----|---|----|--|--|----|---|
|  | 2 | 3 | 4 | 5 | 6 | 7 |  | 9 | 10 |

| 21 | 22 | 23 | 24 |  | 26 |  | 28 | 29 | 30 |

- I have allowed a space for the teacher and parent to make notes of positive behavior, needs for improvement behavior, and/or reminders at the bottom of each form.

-  = Some sort of award for additional motivation between belt advancement. Examples: treats/candy, brag tag/beads, treasure box, Classroom coupons, etc...
