

Lincoln Memorial

It was built in honor of President Abraham Lincoln.

It is located in Washington D.C.

The Lincoln Memorial was finished in May 1922.

The building and statue are made of marble.

There are more than 6 million visitors each year.

The statue is almost 20 feet high. If he stood up it would be over 27 feet.

It took almost 4 years to build the statue of Abraham Lincoln.
