

The White House

The White House has 132 rooms, 35 bathrooms.

There are 412 doors, 147 windows, 28 fireplaces, 8 staircases and 3 elevators.

The White House has about 6,000 visitors each day.

George Washington built the White House. For fun, the White House has a tennis court, jogging track, swimming pool, movie theater, a billiard room and a bowling lane.
